Sir,

I have the honor to state that one Devani, wife of Veerasami, was found in possession of sponge gold - valued at Rupees 5-10-0 at Walaja Road Railway station, on the afternoon of the 18th June last when she was awaiting her plague examination in the 3rd class waiting room. The woman had concealed the gold in her mouth.

The 2nd Prosecution witness Amogam, Railway Police Constable on duty at the time, saw the woman folding something in her betel leaf and putting it in her mouth. The witness noticed a piece of white cloth in her mouth; then he suspected her, - examined her mouth and took out the stuff which contained gold. The 3rd and 4th Prosecution witnesses have

corroborated the 2nd Prosecution witness.

The 1st Prosecution witness who is the Chief Reduction Officer of the Ooregane Company swears that it is sponge gold from the mines.

The Special Magistrate Kolar Gold Fields has recorded necessary evidence and applied for an extradition warrant, and the evidence shows that a prima facie case has been made out against the accused.

I therefore request that the Honorable the British Resident may be kindly moved to issue an extradition warrant for the rendition of the accused woman in question who is now confined in the Sub Jail of Walaja Taluk under a remand granted by the Sub-Magistrate of that place.

I have addressed the District Magistrate of North Brist to detain the accused in custody pending the

the receipt of the extradition warrant.

An application in the prescribed form is herein enclosed.

The records connected with the case (N^o-36 of 1901-1902) on the file of the Special Magistrate, Kolar Gold Fields, received with his Docket N^o-195 of the 21st August 1901 are herewith submitted for reference and obliging return.

Police charged the accused
with dishonest possession of
sponge gold at Dalajah road
Railway station ^{in His Majesty's territory} on the 18th June
1901 -

2. The following witnesses were
examined for the prosecution -

1. H. C. Bauld

2. Annagane, Ry. Police Constable
No. 390. Madras Ry.

3. Saranyapuni

3. Exhibit A. Assayer's certificate
Exhibit B. statement of 2nd Prosecution witness.

Exhibit C. statement of 3rd prosecution witness -
were produced for the prosecution -
spang gold was not produced

4. The statement of the accused was
as follows -

Q. What have you to say.

A. I had found a packet of cigars and
betel leaves at Gynallapali tank when I
had been there one day. Among the
packet I found a hard substance
which looked like a gold - I kept
the stuff and the packet with me - I
went to my village with them. I had
alighted at Amboor which is now
called Walajah Road - I saw a
police constable coming towards me;
being frightened I gave him the stuff
which I had kept in my hand - I am
blind and did not know the rules
of this place.

Q. If you are blind, how did you find
the stuff and see the constable?

A. I was not then blind - I would
see the constable clearly and know

2/ his face but having been four months in Lockup and now am blind -

Q. When did you get your ticket that day?

A. I went from Champion Reef

Q. Had you then the stuff which you gave the police constable at Valajah in your possession?

A. Yes I had

Q. Have you any witnesses?

A. I have no witnesses.

Q. On hearing the charges read out - do you plead guilty or not?

A. I plead not guilty -

Q. Have you anything else to say?

A. Nothing -

5. The accused was charged as follows -

Firstly, "That you on or about the 18th day of June 1901 at Champion Reef were in unlawful possession of sponge gold valued Rs 5/4 - in respect

of which the certificate Ex: A. has been given
 by the Borganu Company's Officiating
 Chief Reduction Officer - for which possession
 you had no legal permit, nor are able
 to satisfactorily prove that the said
 sponge gold came into your possession
 in a lawful manner - and thereby
 committed an offence punishable
 under section 8 of the Mysore Mines
 Regulation and within my cognizance
 & Secondly "That you on or about the said
 day of June 1901 at Champion Reefs
 were in dishonest possession of
 the said sponge gold knowing or
 having reason to believe the same to
 be lawfully come by - and thereby
 committed an offence punishable under
 section 411 of the Indian Penal Code and
 within my cognizance"

The accused pleaded not
 guilty - to any one of the charges —
 No witness was examined for the defence and

In this case the accused is said to have been found with a Valupah Road Sta Railway, with a small piece of sponge got wrapped in a cloth concealed in her mouth & when she alighted at that sta ~~at~~ at 2.30 pm on 18th June.

She was arrested by the Railway police. A search warrant was sought for. Preliminary proceedings have been taken in this court. A warrant was obtained & Dewani ~~has been~~ placed for trial. Her case coming on for hearing this day it is deemed that the sponge sold value is not forthcoming. An inquiry shows that R. S. M. Arumayam is responsible for

its non-appearance and a memo

has been made sent 17th R & Police Supt^d
for action -

Mr Valayak May^r has also been communicate^d
with on the subject.

The govt however on the 3rd July 01 has been
placed before ^{Mr Bauld} the Atty Chief Reduction Officer
Bala Organ Co who has sworn to
having exam^d it & it being sponge photo
taken R 574 & he swears to A being a copy of
the certificate he then gave in respect of that.

MRD -

Under these circumstances its non-appearance
did not seem sufficient^{ly} to necessitate
a further adjournment of a case which
has already taken over long in disposal
chiefly^{ly} the delay necessary in procuring
an extradition warrant -

The possession of the sponge photo by the
acc^d is clearly proved by the provs evidence

and is admitted by the accused
who ~~however~~ states that she
did find it at Swallapalli
on the Kolar Gold Fields and kept it
not knowing the name the apt. the
Rules - she state ~~before~~ on the day
in question she had the stuff with
her when she took her ticket for
Champion Valajah and that when
she alighted at Valajah she
got afraid and gave it to the
Constable - She pleads not guilty.
An alternative charge under
sec 8 of the Mines Act till 1. P.M.
By her own statement she was in
possession of the gold ore at Champion

Reps within this Court's jurisdiction
and does her explanation of
how she came by it is not
satisfactory nor has she witnesses
to corroborate it.

I accordingly find her guilty of the
offence, with which she is alternatively
charged

Taking her blindness - her age and
the time she has already spent in
lock-up under trial into consideration

I only sentence her under either
sec 8 of the Arms Act or 411 I. P. C.

to undergo 3 months ^{simple} ~~imp.~~ imp.
R.P.L.

no orders can be passed regarding the
old till the same is produced before
the Court. As Valajah Naik and the

Madras R. & Police Suptd. have
been asked to endeavor to trace
it and to have it forwarded to
this Court with as little delay as
possible

when she was awaiting her baggage
examⁿ in the 3rd class waiting room
of that stat. after alighting there at
from the Bangalore to Madras
all day passenger train arriving
Valayampet abt 2.30 pm

There is sufficient evidence to justify a
prima facie belief that the
~~sponge~~ gold was found ⁱⁿ the woman's
mouth & that she was trying to conceal
it there. The gold ~~is~~ is sworn by the
Reduction Officer Oryam to have
sponge gold from the Kolar gold fields.

The woman was a passenger from
Oryam St. as the evidence of the.

Police passport officer shows.

A prima facie case of possession of the
sponge gold has been made out.

Even if it could only be dishonestly obtained
either by theft or criminal misappropriation
and that the woman knew this or held
it to be stolen property her attempt to conceal

it in her mouth sufficiently indicates
